EXPERIENCE

Los Angeles Superior Court | Student Professional Worker

June 2017 – Present

- Front desk reception for purchasing and contracts division.
- manipulate Excel document of open purchase orders for supervisors.
- create and file contract folders

Abraham Lincoln University | IT Support Specialist

June 2016 - Present

- Made SQL report for Moodle courses to track students' assignments, quizzes and forum posts which can easily be accessed by student services to track student engagement and participation.
- Build course pages based on course syllabus and create user accounts with appropriate permissions.
- Provide students and staff with technical support with applications (e.g., Moodle, Adobe Connect, ExamSoft) and computer issues.
- Make changes to pages on main site (WordPress site) and Moodle site (HTML, CSS, and PHP).
- Used a Google Admin service account, Google Admin API, and Node.js to create a site where newly registered students can go and create a new school email, taking that task away from our department.
- Create script to post recorded Adobe Connect meetings on Moodle site.

California State University, Los Angeles | Information Technology Trainer

June 2016 – June 2017

- Teach workshops about software to students (Microsoft Office).
- Create and update documentation on training material for software (e.g., Microsoft Suite, SPSS, Camtasia Studio) which are posted on school site.
- Use Adobe Captivate, Microsoft Word, and PowerPoint to update training material.
- Attend student orientation and inform students about department services offered.

Caledonian, Inc. | Tutor

June 2016 – October 2016

- Tutor students in using Windows 10, Microsoft Word, Excel, and PowerPoint
